POCSO Committee (2026-27):

All children have an equal right to access education in an environment that is safe, protective and conducive to the overall development. The challenges of gender inequality, eve-teasing and sexual abuse in school environment call for increased awareness and creating synergy among parents, teachers and school. In order to ensure strict compliance of the Protection of Children from Sexual Offences Committee (POCSO) Act 2012, CBSE has taken several initiatives and actions for creating awareness about sexual exploitation among school children. The committee will take appropriate and necessary action on reported cases of misbehaviours of sexual offences in the school premises.
